

SERMON NOTES

GLOBAL OUTREACH CHURCH

GO NEXT! (Part II)

(Acts 2:37-47)

1. As **Go Church** travels on this journey, like any other traveler, we have to **pay attention to certain indicators** that will always assure us that we are on the right track. Sometimes, the most stressful part of a journey, aside from the inability to determine the destination, is a lack of assurance of the correct direction.
2. These indicators are called signposts, they give directions and make the trip a little less stressful. **The journey is just as important as the destination.** The experiences of the journey and how we handle the indicators will determine how well we do when we arrive at our destination.
3. The **first signpost** for the journey we are on reads: *“Everyone is welcome!”* (1 Cor. 9:19-23).

Things to note:

- A. God wants everyone and we must want the same (Acts 37-47)
- B. Everyone means everyone, no fine prints (Gal.2:11:17)
- C. We are all responsible to make the community a welcoming environment (1 Cor. 9:19-23)
- D. What made the Jesus movement to thrive in the first century?
